The Chief

*PRESENTED BY THE
CLASS OF 1968*

*DARLINGTON HIGH SCHOOL
DARLINGTON, INDIANA*

Spirits abound everywhere in our school. The classes, organizations, clubs, and teams--all have their own spirits that make them unique.

From these various groups the school attains what is known as school spirit. With it the school is not just a building with people, but a close-knit group of students and teachers seeking knowledge through co-operation.

Look around and you will see that our school has school spirit. The enthusiasm of the classes, athletic teams, musical groups, and various other organizations fills the entire school. Indeed spirits are everywhere.

Spirited Gratitude

MR. EUGENE GOSSMAN

As members of the Darlington senior class, we respectfully dedicate the 1968 CHIEF to Mr. Eugene Gossman. In his four years of teaching, he has won the respect of everyone through his understanding both in the classroom and out. His encouraging words of guidance will long be a part of our lives. To Mr. Gossman we owe our deepest gratitude.

Miss Montgomery

County of 1968

Last summer Beverly Wilson was chosen Miss Montgomery County 4-H Queen on the basis of personality, poise, 4-H and community activities, and bathing suit competition. She then went to Indianapolis where she ably represented our county in competition for Miss Indiana State 4-H Queen.

Miss Junior Miss

Linda Kirk also represented our school well--in her case, as the winner of the county Junior Miss Pageant. She was chosen on the basis of beauty, talent poise, and scholarship, over a number of other girls. Linda's next goal was the State Pageant held at Frankfort.

We extend our congratulations and best wishes to both of these girls who have brought honor and recognition to our school.

Spring Enchantment

May 6, 1967, was the big night. After several months of preparation, the Class of '68 was ready to present its Prom--SPRING ENCHANTMENT. As guests entered through a trellised walk, they saw a large green and yellow canopy with a lovely white iron seat under it. Those attending were escorted to their seats arranged in a floor plan resembling a giant daisy. Chandeliers hung in each of the scalloped "petals," and several topiary trees adorned the floor.

The meal was served by the Freshmen, who were dressed in green and yellow to match the colors of the Prom.

The customary welcome and response were followed by the will, history, and prophecy. Mary Jo Cox was crowned queen, and Bruce Runnels was chosen king. Following the coronation was the dance with music played by Kenny and the Counts.

Homecoming of 1968

This year the Homecoming, which was planned by the Student Council brought with it a flurry of activities. Finally at the East Tipp ballgame on January 27, came the results of this work. First, past lettermen and cheerleaders were recognized. Later--at halftime--Mary Cohee, a senior, was crowned queen. To round out the evening, a dance was held with music by the Crawfordsville Dance Band. In all, it seems the 1968 Homecoming was a great success.

Spirited Songsters

The high school choir has been extremely busy with activities this year. Under Mrs. Smith's direction, these spirited songsters presented a variety show last fall, featuring several different styles of music and songs. Later on during the year they sang at school convocations and at the New Market Music Festival in March. The talent put forth by the choir has certainly been a much-enjoyed asset in our school.

The girls of the Darlington Sunshine Society have truly done much to spread sunshine in the school and community, cheering the days for the teachers, parents, shut-ins, and other students. Some outstanding events for the SSS this year were the Christmas Ball--"The Night Before Christmas," Daddy Date Night, the Mother's Tea, and the closing May Breakfast.

Qualities needed to enter this organization are scholarship, leadership, character, and service. To fulfill service to the school, Honor Society members sell tickets at Junior High ballgames and plan the annual Awards Night.

Science Club

Excited by the many ever-changing aspects of science, these students have participated in a number of activities to give themselves a better understanding in all branches of science. Perhaps their scientific endeavors today will lead to a career in science.

S P E E C H T E A M

With Mrs. Leeds as their sponsor, these students have participated in many speech activities. Included were a number of speech contests held all over Indiana, from which several awards were brought back to Darlington.

Music Everywhere

For the past twelve years students at Darlington have had a chance to put their musical talent to use in the school band. Throughout each year this organization makes a number of appearances, playing at convocations, ball games, and commencement. Many hours are spent preparing for the highlight of the year, the annual New Market Festival.

The Future Farmers of America is composed of boys interested in agriculture. Their many activities have been beneficial to both themselves and the farming community.

As a money-making project, the FFA has sold slow-moving-vehicle signs, which by law most farm equipment must have. One project that these boys undertake each year is the farming of an experimental plot.

All of their hard work has had its reward, as the FFA has won several awards in judging contests. Two boys, Abe Hodgen and Larry Personett, had the privilege of attending the national convention of the Future Farmers of America, which was held in Kansas City.

Members of the Student Council were busy this year, planning Homecoming, teacher introductions, and various other projects. Many of the Council's ideas came from the summer workshop, attended by Mike and Paul, and the state convention last fall, to which most of the members went.

Pres.--Mike Mutterspauh V-Pres.--Paul Runnels Secr.--Nancy Weltner.

Throughout the years, 4-H has been an organization whose members have had a chance to discover more about the world they live in through various projects. We have been fortunate to have several outstanding members recently. Last fall Rob Shelton traveled to Chicago with other Montgomery County 4-Hers as did Beverly Wilson, who was chosen Miss Montgomery County. Many other members have won awards and honors on the county and state level for their projects.

This year's annual staff has been hard at work for nearly a year, trying to make this annual the best ever. Starting with ads, orders, and then the most important work of all--the actual layout--the entire staff has successfully met its deadlines and coped with all the questions and confusion that go along with the planning. Climaxing all this work was the arrival of the annuals, which we think are the best ever assembled.

The Latin Club is composed of students who have an interest in the Roman language and customs. Throughout the year they have had an initiation and several parties and have seen film strips and movies.

OFFICE HELPERS

LIBRARY AIDS

The office girls are a great help in the bookkeeping of our school. They collect attendance slips, answer the telephone, assist persons coming to the school, and perform various duties.

Assisting students in finding information, checking out books and magazines, and generally taking care of the library are the duties of the student librarians. Their assistance is appreciated by both the students and Mrs. Ainsworth.

We've Got Spirit . . .

. . . in Our Sports!

*Victorious
Varsity*

Early this season it was apparent that this would be one of our school's best years for basketball. A new school record was set by scoring 109 points in one game, and the century mark was reached several other times in the season. Our first trophy was for winning the 4-way toumney at Waynetown, but the greatest triumph of the season was winning the county toumney. By defeating Coal Creek 100 to 78, our Indiana not only kept the keg but also gained a beautiful trophy and much fame and glory.

Baseball was also a successful sport for our school. These boys put forth all their effort to have an extremely successful season.

Track Stars of Tomorrow

The track team kept up the winning ways of our sports teams, chalking up impressive victories. These athletes scored victories by taking the county track meet and were the champs of the Big-4 Conference.

Cross Country Cruisers

These fleet-footed runners were amazing for their speed and agility. Winning all their meets, they demonstrated their abilities by winning the Wainwright Invitational, the county cross-county, and the Big-4 title.

Booster Club

These backers of our team have been busy all year learning new yells and practicing the old ones; apparently, their efforts have been successful. During ballgames everyone has worn a red poncho, giving the Booster Club a neat, unified appearance. As money-making projects, they have sold Darlington pennants and sponsored a "Mr. Lovely Legs" contest.

Six men and two women who have much to do with the running of our school are the members of the school board. They must plan the budget and see that the present and future needs of the school are met.

Another busy person is Edythe Cain, school secretary. During the past nine years she has been answering the telephone, keeping school records, and doing various errands for everyone in the school.

Mrs. Snyder

Mrs. Newnum

Three persons essential to our school's health and well-being are Mrs. Newnum, our speech therapist; Mrs. Snyder, the school nurse; and Mr. Strong, school guidance counselor. Mrs. Snyder, a graduate of Indiana University, and Mrs. Newnum, a graduate of Purdue, must divide their time to be at all the North Montgomery schools, while Mr. Strong, whose alma mater is Purdue, serves only Darlington, Linden, and East Union.
